

## Small Size Open Top Test Socket Size 8mm x 17mm / 0.31" x 0.67"

Features:

- Small Size
- Better Thermal Condition
- Suitable for Automatic Device Setting
- Custom Design welcome

Specifications (typical)

Rate Current : 0.5A at 25°C  
 Initial Contact Resistance : 200mΩ max  
 Dielectric Strength Voltage : AC100V rms 1 min  
 Insulation Resistance : 1000MΩ min at DC100V  
 Temperature Range : -40°C TO +150°C

mm

How to order

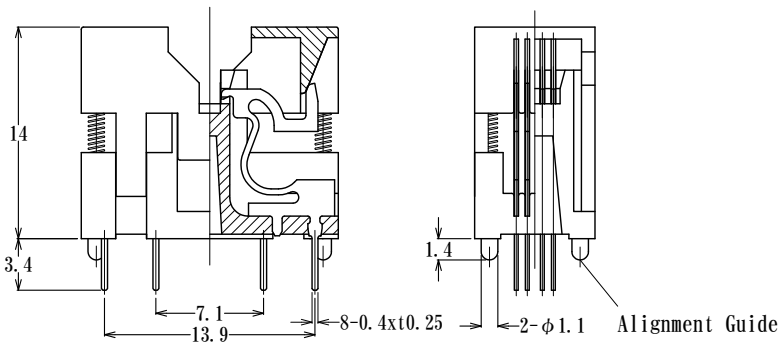

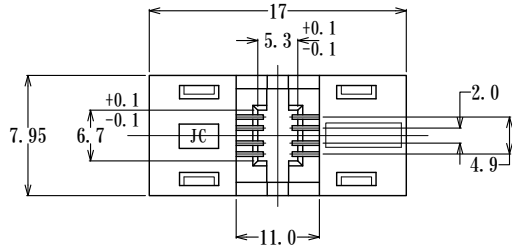

**GUT8-□□□□-□□□□**

Pin Number, Style

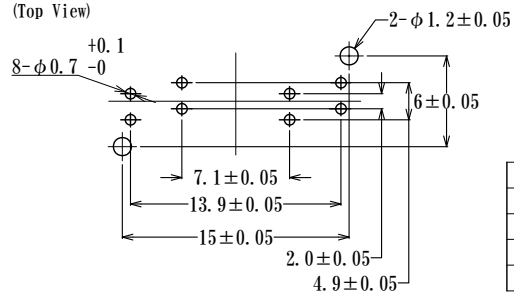

P/N will be informed after fixing specifications.

How to order (example)

**GUT8-U800-STDJ**
